

TOURNAMENT GUIDELINE, POLICY & RULE ACKNOWLEDGEMENT

HOTELS: All participating teams (outside 90 driving miles of registration address) will abide by official stay-and-play policy. Teams must book through Rated Travel, the official tournament housing partner. Teams are not permitted to make direct reservations with the properties. No exceptions.

MEDICAL RELEASE FORMS: This form verifies that team managers have medical release forms for all players on their respective teams participating in this tournament. Teams release Rated Sports Group, all participating sponsors, and all tournament organizing parties from all responsibility and liability regarding injuries.

Tournament requires that all teams participating provide medical releases for each player in an appropriate form. Most organizations/clubs/leagues/teams have their own forms. These are acceptable for the tournament. These authorizations shall be reviewed during the registration process and kept in the possession of a team official at all times. If your team does not have their own medical release form, access the our [Medical Release Form Here or on the Tournament Website Forms Page under Information.](#)

LIABILITY: Event organizers are not liable for any injuries incurred by players, spectators, friends, family members, and all event attendees. Event Organizers are not liable for any damage or theft sustained to attendees' personal property, including vehicles.

BEHAVIOR: Players, coaches, and spectators are expected to conduct themselves within the laws of the game. Displays of temper or dissent are cause for ejection from the game and the surrounding field area. Repeated violations may result in the suspension of the team from the tournament as decided by the tournament directors. It is the responsibility of the club/team to control the conduct of its parents and other spectators.

GAME SHEETS & SCORE REPORTING: For Game Sheet and Score keeping, it is required that both teams come to each game with their printed gotsoccer game sheet. One game sheet will be retrieved by the referee at the end of the game. Winning team returns a correct score card for each game to the field site coordinator's tent and ensure it's signed by the official referee of your game. And for tie games the home team will be required to turn in the game score card. I understand that if my team is the winning team (or home team for tie games) that a team official is required to return completed Game Card to the site coordinator's tent immediately following the game. This includes all group games, all playoff games and all consolation games.

PLAYER CARDS: I hereby certify that all players participating on the team roster have a valid and approved player card by the state, national and/or international governing body. There will be no rostered players that does not have a valid player card.

RULES: All event attendees will read, review, and understand official tournament rules (available on tournament website) prior to event start. Those who violate tournament rules are subject to repercussions listed on official tournament rules document. If repercussions are not explicitly stated in official rules, violators are subject to appropriate consequences determined by tournament organizers.

I accept and will abide by the above rules/guidelines/liability on behalf of my team.
